ALL SAINTS SCHOOL

THE SCHOOL VISION

At All Saints School, we believe learning should be fun, purposeful and challenging. Through our effective curriculum, we aim to equip each child with the skills they need for lifelong learning. We aim to develop confident learners who take ownership of their learning gaps and are proud of their achievements.

We believe that every child matters. Through positive attitudes and partnerships, we endeavour towards the holistic development of a child, meeting individual needs in a safe and secure environment.

We believe that all members of our school community should work together to maintain a safe, clean and stimulating environment which encompasses not only

the learning environment and school grounds, but also the surrounding area. We aim to promote sustainability and an awareness of global issues through our curriculum.

We believe that good teamwork and positive partnerships- with individual children, the whole class, our colleagues, governors, parents and the wider community will lead to effective teaching, high standards and successful learning.

FROM THE CHAIRMAN'S DESK

Education releases capacities, develops analytical abilities, boosts confidence, arouse will and fosters goal-setting competencies.

It is my privilege to serve as the Chairman of All Saints School, not because it is my passion but, I enjoy the company of my dearly loved students and talented teachers who keep me energized all the time.

All Saints School is not just one more school in the already existing long list of educational institutions in Agra, it is one school which has made all the difference in its qualitative journey of almost three decades. Our children represent our hopes and dreams. As a parent, you certainly, think of the best for your child; we are happy to be working with you to ensure that they are provided with the best knowledge to face future challenges.

The Management, Parents, Students and the Teaching Fraternity are a team and complement each other's efforts. Education is not just a process of giving knowledge for a high profiled job but a lifelong process which creates an understanding of moral and ethical values to guide and make our students morally upright citizens of the country.

We try to create an atmosphere of reverence for education and a healthy environment where academics, sports and co-curricular activities mould the students and motivate them to be the brightest. To do this, the school works towards inculcating values in the students to enrich their minds and spirit and develop essential moral attributes like truthfulness, courtesy, generosity, compassion, justice, love and trustworthiness in them. The students study in an atmosphere of love and unity where each sees himself as a member of one global family, free from the prejudices of ethnicities, nationalities, class and religious dogmas.

I am grateful to each member of the All Saints School, the staff that synchronizes and harmonizes well, the students who consistently prove to be the best, and the parents whose trust inspires us to move ahead.

I wish you and your child a rewarding experience at ALL SAINTS SCHOOL.

Mr. T. S. Rana (Chairman)

Dear Parents,
Jai Hind!

I feel privileged and honored to work as a Principal of All Saints School.

Education system has changed and with changing scenario the teaching strategies have shifted from teacher-centric in the past to student-centric these days.

We at All Saints School value each student as an individual and as a part of the community. We develop all aspects of their persona with excellence that help in the overall development of a child's body, mind and character. All possible efforts are taken to ensure quality education.

I take it as my responsibility to ensure that every student who enters this school leaves as a responsible and celebrated citizen of the country and makes everyone proud. I dream of a whole new generation of educated, informed, disciplined, honest and physically and mentally strong citizens.

We truly have a fantastic school with a supportive and involved parent community, dedicated and highly skillful staff, excellent resources and buildings and the most fantastic students to work with. We are very sure that with the help of all the stakeholders and with their continuous support, we will be able to take our school to the next highest level of excellence.

The trust that students, parents, staff and patrons place in us, casts upon us an onerous duty, which we discharge with all our commitment, strength and competence. And for this, we will work day in and day out to stand up to the promises we have made.

My commitment to our community is to lead the school with enthusiasm and passion to enable us to reach our goals. Let us strive together to make the best of All Saints School.

Mr. Yogesh Upadhyay (Principal)

FROM THE PRINCIPAL'S DESK

THE LEARNING PROCESS

The school follows the CBSE pattern of curriculum for various subjects while incorporating inventive and original tools and methods to enhance the learning process.

PRE PRIMARY

ALL SAINTS
KINDERWORLD

Pre Primary section includes Nursery, LKG & UKG. Well trained and highly motivated group of teachers take care of the playschool. The teachers impart knowledge of a wide range of practical life skills appropriate to the child's level of development. Children are engaged in activities like collage making, thumb printing, spray painting, coloring to enhance their aesthetic sense. Teachers use flash cards, live things, puppetry and demonstrations. These activities help the children gain a sense of order, concentration, coordination, independence and refinement of their motor skills. Field-trips, experiential learning and stimulating conversation are some ways to introduce and clarify basic concepts. The curriculum is designed to build a supportive environment for the unhurried mind to move steadily towards pursuit of excellence.

PRIMARY & JUNIOR

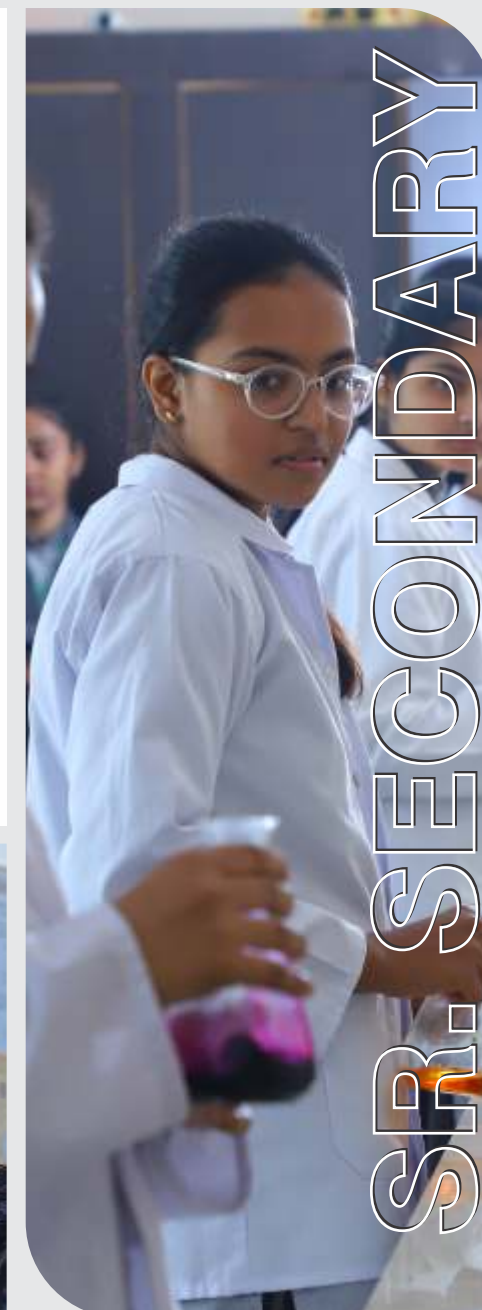

Primary education forms the bedrock of development. It is in primary school that children learn foundational skills that prepare them for life, work and active citizenship.

After graduating from the pre primary the children enter the primary section. Teachers help the children to develop psycho motive domain through various activities. The learning experience is based on hands experience and the usage of various teaching techniques like a demonstration, dramatization, audio-visual techniques, field trips and so on. Children are given exposure to sports and games such as skating, basketball, kho-kho, handball, football etc.

Junior level comprises of classes VI –VIII. & Secondary level comprises of classes IX –X. Inculcation of knowledge and skills amongst the students, in certain specific directions is emphasised. The students are developed to be aware of their own interests. They are encouraged to work according to their choice of career and grow up as socially responsible citizens. All the subjects are taught by skilled qualified, competent & dedicated teachers through modern and innovative teaching methods to extract outstanding result. Teaching of Art, Craft, Yoga, Taekwondo, Music, Computer Application, and Dance in the curriculum help in the holistic development of the character and personality of the students.

SR. SECONDARY

Senior Secondary comprises of classes XI & XII. The smooth transition from childhood to adolescence is facilitated by comprehensive, value-added education. The student's intellectual, aesthetic, physical and cultural growth is strengthened in these classes. The School offers Science, Commerce & Humanities Streams to the students. Academic challenges become the focus as the students start preparing for the AISSE conducted by CBSE, New Delhi. The learning areas in the Senior Secondary Classes include English Core, Subjects of Science group, Subjects of Commerce group, General Studies, Work Experience, and Physical Education.

DIGITAL RESOURCE ROOMS

The Digital Resource Room, at All Saints School are enabled with digital projectors, intelligent processors, wireless mouses and keyboards with remotes to offer a complete end to end technology. Digital Resource Room learning is a comprehensive solution designed to assist teacher in meeting day to day class room challenges & enhancing student's academic performance.

E - LEARNING

The School is equipped with diverse technologies to support teaching and learning. E-Learning here is applied to all levels of schooling to ensure students grasp the lessons adequately. It is believed that audio-visual method of teaching creates a disciplined learning environment and fosters effective student engagement in the class. The use of technology in instruction changes the structure of the classroom. Through technology, teachers and students access a wealth of materials, services, and networks. Teachers have the data and information needed to individualize instruction and assessment as well as make other important instructional management decisions.

LABORATORIES

PHYSICS LAB

The school has a well-equipped and spacious Physics Lab which can accommodate about 45 students at a time. It is well stocked with all the equipments necessary to conduct the required experiments. The models, charts and other high quality instruments available in the lab help the students to have practical knowledge. Skilled teachers explain the procedure to students and students conduct the experiments. This 'learning by doing' aids in long-term retention of scientific facts.

CHEMISTRY LAB

The school has a spacious, well equipped fully ventilated and adequately lighted Chemistry Lab. It can accommodate about 45 students at a time. Each student is provided an independent work place with a gas burner having centralized gas supply. The laboratory is well equipped with all the chemicals and salts and other apparatus to cater to the needs of all the students up to class 12. The lab has an excellent safety system with fire extinguishers and a shower cum eye washer equipment. Adequate care has been taken to avoid any incidental hazards.

BIOLOGY LAB

The school has a spacious, well equipped, fully ventilated and adequately lighted Bio Lab. It can accommodate about 40 students at a time. The lab teems in beautifully painted and well labelled diagrammatic representations of various specimens as prescribed by the CBSE for the students to visualize and understand a specimen easily. Advance microscopes, skeletons and various slides and specimens are available in the lab for the students to observe and experiment making learning more interesting and fun.

MATHEMATICS LAB

The school has a spacious Mathematics lab that can accommodate about 40 students at a time. Students who consider mathematics as an intricate and dreadful subject, develop love for Math as in the lab, it is great fun for them. They use a lot of games, working models, illustrations to understand mathematical concepts.

COMPUTER LAB

The School has two well-furnished Computer labs that can accommodate 45 each students at a time. Each laboratory is well equipped with 20 networking PCs with LAN. Each lab has a dedicated server loaded with programs like C++, JAVA, Adobe Photoshop, Q-Basic, LOGO, MS Office 2000, Macromedia Flash MX, MYSQL and Oracle etc. Interactive learning is imparted by the highly qualified teachers through multimedia-rich edutainment and infotainment concepts.

THE SPECIAL CLUBS

MID (Music, Instrumental & Dance)

The school has a spacious hall wherein, students are taught about the MID by experienced and well qualified teachers. The students develop their musical and dancing abilities through the facilities provided by the school. They are trained in Indian classical & western music and for the dances like kathak, contemporary, jazz, popping, hip-hop etc.

SCHOOL BUILDING

The senior campus of All Saints School is situated at Kahrai, Near TV Tower, Shamshabad Road, Agra. It is a convenient location to reach for the students and their parents. A number of big townships are developing here. The school building comprises of three blocks, Block A, Block B & Block C, having three floors each. It has a vast playground for the sports activities and a park for the students to enjoy greenery. The school has a splendid reception for the parents and students to attend to. The Administrative Block of the school has the Chairman's Office, the Principal's & Vice Principal's Office along with the Accounts Office. Block A has the All Saints Kinderworld, a pre primary children section. Block C of the school has Physics Lab, Bio Lab, Chemistry Lab, Maths Lab. The Computer lab of the school is in Block B. The essential facilities like the wash room for the girls and boys are there on each floor and are being taken adequate care.

LIBRARY

The School Library is one of the hallmarks of the school. The library houses a wide variety of books and journals. It serves as a store house of information related, to prescribed text books and beyond. Its purpose is to inculcate reading habit amongst students.

Renowned works of Fiction, Classics, Self Help Books, Science & Technology Periodicals, Journals related to history, culture, exploration along with selected local and national dailies are housed here. All the articles in the library are carefully scanned and selected.

SPORTS

All Saints School gives special focus on sports. Well qualified sports teachers coach the students. Indoor sports/games like carom, chess, table tennis, skating, badminton, taekwondo, boxing and shooting are the ones which the students enjoy the most. The outdoor sports/games like football, hockey, cricket, basketball, volley ball, and hand ball help the students in building their stamina and developing the spirit of competitiveness.

SCIENCE CLUB

The students with a scientific bent of mind avail the use of Science club wherein, they through experimentation, observation and analysis learn more than beyond the classroom.

TRANSPORT SYSTEM

The school has put in place a safe and convenient transport system for the students. Each of the school buses has an attendant on duty to take care of the children on board. The school buses are equipped with surveillance and GPS system. The fire extinguisher as an priority is put in each school bus. The safety and security of the students is the foremost priority of the school.

THE PARENTS SUPPORT SYSTEM

All Saints School provides a parent student support system. It assists parents who are dealing with stress and feeling overwhelmed. Parents and students are advised and encouraged during stressful times through this system. Parents and students are also encouraged to share their suggestions.

SCHOOL COUNSELOR

All Saints School has a well qualified counselor to provide the necessary guidance and support to the children with learning disabilities.

LANGUAGE CLUB

The well trained teachers conducts various activities in language club to enhance & enrich the students vocabulary. The students enjoy the activities and actively participate in discussions, quizzes, public speaking and develop their oratory skills in a playway.
